

**REMARKS**

The amendments to the specification hereinabove introduce no new matter, and are introduced to correct grammatical inconsistencies/errors.

The amendments to the pending claims are generally to correct claim wording inconsistencies and/or typographical errors. However, in any event, the amendments requested herein are believed to be within the scope of allowable subject matter..

The seven new claims presented herein are dependent claims that are believed allowable at least due to the patentability of their respective parent claims.

Accordingly, since all claims are believed to be in condition for allowance, it is requested that the present application be reconsidered. It is believed that no fees, except for the issue fee, and the fee for the seven new dependent claims. If any other fees are due, the undersigned Applicant requests a phone call at 303-863-2975.

Respectfully submitted,
